- 1. Presentation and Discussion of the North Davis Fire District Tentative Budget for FY2024
 - a. Discussion of a Possible Amendment to the North Davis Fire District Budget for FY2023
 - b. Discussion of International Fire Code

Per Chief Becraft, the FY2024 Tentative Budget has not changed. There have been a couple of small tweaks but nothing major. Chief Becraft opened the floor up for questions from the board. We have not gotten certified tax rates and it is anticipated to be even with where it was last year. Would like to speck the exhaust system to match the new station's system, as 41's is currently antiquated, and this is budgeted for in the tentative budget. Will need a budget amendment for wages and vehicle maintenance. The board gave permission to order the exhaust system. Currently catching up with vehicle maintenance, a tentative budget has been made for future maintenance.

Per Chief Williams, the state will officially adopt the 2021 fire code. Currently notifying the board that is something we will need to do in June. The code resets every three years, and the state will adopt the code. Chief Williams recommends that NDFD adopt the 2021 fire code as a full set. The books have been ordered based on the budget from last year, they will just need to be marked up and they will be ready to go for July 1st.

10. Fire Chiefs Report

Chief Becraft informed the board that he and Chief Williams will attend executive training during the August board meeting. Chair N. Peterson said the decision on whether to hold that meeting will be made in July. Chief Becraft said they are finishing the bays and putting the steel above the training room and the storm system that connects through the city at the new station. Both chiefs work behind the scenes, such as looking at appliances.

The dispatch update is that NDFD is joining Layton Dispatch; the board and Clearfield City must approve an interlocal agreement before the service begins. The transition to Layton Dispatch will occur in October 2023.

Legislation changes require that NDFD obtain a ".gov" domain before the end of the year. The administration is working to obtain the ".Gov" domain.

Chief Williams provided a staffing update that Chief Hadley's son, Logan, has filled our full-time position. The staff is pleased with Logan's performance and testing. Logan has proved himself. We are currently fully staffed with our full-time firefighters. Four part-time positions are now open because we have hired three full-time individuals. Chief Williams is pleased with the staffing.

There was a terrible industrial accident at Americold. The crews did a great job given the situation. The location of the incident was not ideal, and the patient was in a 20-degree freezer. They applied for the tourniquet and gave the patient the best chance possible, but unfortunately, the patient did not survive. Chief Williams reached out to Americold to ensure their employees are being cared for.

Vehicle maintenance is happening with Truck 42 as previously discussed. The ladder will have to be tested, then it will be sent to Siddons-Martin for the rest of the repairs. We have listed Truck 41 on govdeals.com for \$75,000. Ambulance 411 has been sold to New Harmony for \$15,000, and they are coming to get it next week.

Over the next few weeks, mental health check-ins with Jeff (First Responders First) will begin. NDFD is taking important steps to provide mental wellness to employees and their families. ON June 8, 2023, NDFD and First Responders First will provide onsite training for employees and significant others to help them

understand when the firefighter comes up, what is happening to them, and being in fight-or-flight. NDFD has created a Peer Support Committee with 6 members to assist fellow firefighters.

Fire Marshal Report - The open burn closes on June 1st. The new NDFD website has been working great, and we have had no issues. Some farmers do not enjoy submitting online, we have helped and will continue to help those residents who need our assistance. Recreational burns have had a few hiccups here and there, but it has been going well. There has been a fire watch at Chandler Gardens for two weeks due to their main breaking. They must go ten feet down underneath the building, and it is a mess. A significant amount of construction is happening, and the Fire Marshal is extremely busy.

Chief Williams thanked the Battalion Chiefs for the strides we have made with training. We have created some in-house training to help our Firefighters. We have been reaching out to other departments to train with us. Working through coverage through training. He also thanked the Firefighters and admin and said he is proud of them.

11. Member City Updates

Board Member Wiggill shared that Chief Williams and Chief Becraft have done a lot to make this department a place that people want to be and are a big reason for its success. Sunset City will have a laser show at the Sunset City days instead of fireworks, and NDFD is invited to participate in the activities.

Board Member Smalling announced that Sunset City has finished the Veteran's Park. There will be a flag ceremony at 11:00 this Saturday.

Board Member Phipps talked about Clearfield embracing being closely tied to HAFB. They will buy 10 or 11 planes of three different molds that they will start strategically placing around the city.

12. Motion to Adjourn

Vice-Chair Wiggill motioned to adjourn. Board Member Smalling seconded the motion. The motion passed.

Dated this 18th day of May 2023.
